A Skin of Beauty is a Joy Forever

DR. T. FELIX GOURAUD'S ORIENTAL CREAM OR MAGICAL BEAUTIFIER

MAUI NOTES

The gymnasium committee of the Alexander House Gymnasium has decided upon the nineteenth of this month for the opening dance of the fall and winter season. The dances at the gymnasium have been most popular in the past, and it is expected that this one will be one of the best ever given. The price will be only 50 cents for the gentlemen. Ladies will be admitted without charge.

The improvements in the road between Wailuku and Lahaina are making this highway much more acceptable to travelers. Hugh Howell has the contract and Frank Sommerfeld is the foreman on the job. The sharp turns just beyond McGregor's Landing, on the way to Lahaina, are being taken out, the gulches filled up, with the result that soon there will be a fine piece of straight road where formerly there were six or seven very abrupt turns and an exceedingly narrow wagon track. The other bad corners toward Lahaina have been somewhat rounded off, with the result that three automobiles could pass on many of these turns now. The expectations of the Maui public are that in a comparatively short time the road from Lahaina to Paia will be all macadam and one of the best roads in Hawaii. There are unusual possibilities for scenic beauty along this road, and Maui hopes to have it an attraction to travelers.

Miss Sue Starkweather will be one of the teachers in the Wailuku Union Sunday school from the middle of this month. She is an excellent kindergarten teacher, and the Sunday school is fortunate to have her on its roll of teachers. Mrs. O. J. Whitehead is the superintendent. She has had years of training for this work and is a highly successful teacher. Miss Caroline Scholtz, another teacher of excellent experience, is enrolled among the teaching force of the school this fall.

Miss Clara Townsend of the Baldwin House, Lahaina, was a Wailuku visitor over Sunday. She was a guest of the Alexander House ladies.

The ladies of the Women's Guild of the Church of the Good Shepherd will hold their annual bazaar on the 16th of November at the Alexander House Gymnasium. This affair that the ladies of the Wailuku Episcopal church give is always a great event on Maui. People attend from all over the island. Large sums of money are always raised, which are devoted to the work of the church.

Miss Louise Pratt, who was so seriously hurt last week while going to Keahua to her work in the public school, is somewhat improved. She completely regained consciousness on Sunday, but was not allowed to hold conversation with anyone because of her weak condition. On Monday she began to get her strength back, and the improvement has been steady throughout today. The fear that her friends had concerning her permanent recovery is now past. "There seem to be no very serious injuries."

The improvements on the premises of the Wailuku school yard have been far greater than were anticipated when the work was first begun. The grade is now pretty well established, and it corresponds with the grade that Supervisor W. F. Pogue established for his own residence lot. This same grade the Union church adopted. Last week Dan H. Case finished grading his lane to conform, and now the school premises are well under way of being completed, so that the whole will be a remarkably beautiful stretch of excellent lawn. There is hardly a piece in the whole of Hawaii covering four separate lots that for extent and beauty can be found to equal this stretch in Wailuku. This single improvement did much to win for Wailuku the name it has of being one of the prettiest towns in the Territory. Public spirit and a working together will still further enhance the beauty of the county seat of Maui.

MONTENEGRINS ROUT TURKS

[Associated Press Cable]
PODGORITZA, Montenegro, October 9.—After desperate fighting near here on the border, the Turkish army was routed today and is in retreat down the shores of Lake Scutari.

Prince Peter, in command of the Montenegrin army, opened the battle and attacked the enemy, taking the initiative. The Montenegrin army has followed the Turks and a series of battles is now in progress with the Turkish troops making ineffectual efforts to withstand the victorious Christians.

Over-Night Wireless To the Advertiser

Confirmation of the rupture of diplomatic relations with Turkey and Bulgaria and Serbia has been received in Paris, according to a news agency dispatch from that city. A Bulgarian force is reported to have crossed the Turkish frontier, and King Ferdinand is said to be hurrying southward to take command of the Allied Balkan troops.

Miss Anna Klumpke, the celebrated artist and pupil of Rosa Bonheur, returned to San Francisco on the steamship Lurline this morning, after a month's sojourn in Honolulu, to be present at the reception to be given in her honor next week by the Laurel Hill Club and the Pacific Coast Woman's Press Association.

A strong rumor was current in Paris this morning that Bulgaria had declared war on Turkey, but neither the Ottoman Empire embassy nor the Bulgarian embassy has received any confirmation.

First Lieut. William G. Ball, Second Infantry, stationed at Schofield Barracks, Hawaii, registered in division headquarters, San Francisco, today. He is on leave of absence.

LAXATIVE FOR OLD PEOPLE—"CASCARETS"

What glasses are to weak eyes, Cascarets are to weak bowels—a 10-cent box will truly amaze you.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles. So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets and they cost only 10 cents per box at any drug store. They work while you sleep.

WALTER G. SMITH LECTURING IN SEATTLE

Seattle Post-Intelligencer, Sept. 26.—Walter Gifford Smith, of Honolulu who has returned to the states to deliver a series of lectures on the islands, is at the Rainier-Grand. A product of the United States, he has been actively engaged on newspaper work in the islands for several years.

Seattle (Wash.) Times, Sept. 26: Walter Gifford Smith, editor of a Honolulu publication and a publicity agent of Hawaii, will lecture at the New Chamber of Commerce tomorrow evening on "The Hawaiian Wonderland." This is the first of a series of free lectures which Mr. Smith will give in Seattle.

Accompanying the lecture tomorrow evening 120 stereoscopic slides will be shown and a 3000-foot moving picture film, showing views of Kilauaea volcano in action and other interesting sights. The volcano picture was taken on the shores of the boiling lava lake. Moving pictures will also be shown of the annual winter carnival, surf riding at the beach of Waikiki, shark fishing outside the reef, scenes in the pineapple fields and the opening of Pearl Harbor by the United States armored cruiser California.

LIFE IN HAWAII AT THE PANTAGES

Lovd Childs has produced the piece and provides a reel of motion pictures taken in the islands.
